## “UIS WORK ORDERS” instructions for Residence Life

3. **C-FOP** – Please IGNORE & SKIP this entry.
4. **Category\*** - Please select ‘Residence Life (Housing)’. Selecting anything else may delay your work request significantly.
5. **Your UIS Email\*** - Enter your @uis.edu email address. If you want to place your personal email address here you may do so AFTER you put in your UIS email and a ‘;’. You may also include your roommates as well for issues concerning all residents in the unit.
6. **Short Description** – This is where you would a brief but detailed description of the problem such as ‘Desk drawer in Bedroom B is hard to operate’ or ‘The overhead light in the hallway by B/C bedroom is out’. \* Location of issue is very important.

*\*Not all items inside your residency will be handled by one person. Plumbers do not handle electrical work and carpenters do not handle plumbing issues so, **please submit individual work orders for each maintenance issue you may have.***

7. **Your Name\*** - Please enter your full name (first name and last name). If we have any questions, we may be reaching out to you.
8. **Filter By Building Group** – Please select ‘Residential’
9. **Filter By Building** – Please select the appropriate building that you live in. You may have to type to find your correct location as the drop down only shows the first 50 entries.
10. **Locations(s)\*** - Please select the appropriate unit that you live in. You may have to type to find your correct location as the drop down only shows the first 50 entries.\*\* If you make a mistake you can hit the x to delete the unit.

*\*\*Once you have done this before and know your room as the system wishes to call it, you can skip the ‘**Building Group**’ and ‘**Filter By Building**’ and just begin typing in ‘**Location(s)**’.*

11. **Files** – You may choose to include files such as pictures in this section.
12. **Submit** – Finally click this button to submit the work order request.
